We are excited about our holiday camp plans. **We will place an emphasis on offensive fundamentals.** Our camp will stress shooting, passing and dribbling and offensive team play. To succeed in basketball a player must master the fundamentals.

Our future at East High School is very bright. Our camp staff will consist of East coaches and players. If you love basketball like we do you need to sign up for a week of camp. Join us as we prepare to win another GMC Championship.

Hope to see you in the gym!
