Camp Philosophy

The Hawk Basketball Camp will place a great emphasis on the fundamentals of basketball. We believe the off-season (especially summer) is the time players need to focus on skill development. Our camp will stress shooting, dribbling, passing and offensive team play. To succeed in basketball a player must master the fundamentals.

To All Young Players and Future Hawks,

We are excited about our summer camp plans. **Our summer camp will place an emphasis on offensive fundamentals.** Summer is the time when your shooting, passing and dribbling skills need to improve. We will also learn offensive and defensive team concepts that are important for success.

Our future at East High School is very bright. Our camp staff will consist of East coaches and players. If you love basketball like we do you need to sign up for a week of camp. Join us as we prepare to win another GMC and City Championship.

Hope to see you in the gym!
